The 2018 International Symposium on Antennas and Propagation (ISAP 2018) will be held during October 23~26, 2018 at Paradise Hotel Busan, Busan, Korea. ISAP 2018 offers excellent opportunities for exchanging technical information and developing friendships with worldwide participants involved in research, development and manufacturing in the field of electromagnetics, antennas and propagation. We hope you will come and enjoy the Symposium in Busan, the top convention hosting city in Asia and also the international prestige tourism city.

ISAP 2018 will be held at the Paradise Hotel Busan which is located in Busan’s Haeundae Beach, where the sky and ocean meet. As the first grade hotel with luxurious facilities, Paradise Hotel Busan offers balconies in the sea view rooms with a clear view of the Haeundae beach.
