

WSANE 2008

Workshop for Space, Aeronautical and Navigational Electronics

Venue : Ba-Da-Guan Hotel (TBD), Qingdao, P.R. China

Date : November 23-27, 2008

Organized by

Technical Group on Space, Aeronautical and Navigational Electronics (SANE), IEICE, Japan

Sponsored by (being applied for approval)

Ocean University of China (OUC), China

Japan Aerospace Exploration Agency (JAXA), Japan

National Institute of Information and Communications Technology (NICT), Japan

Electronic Navigation Research Institute (ENRI), Japan

Chinese Academy of Space Technology (CAST), China

State Key Laboratory of Integrated Services Networks, Xidian University, China

Commonwealth Scientific and Industrial Research Organization (CSIRO), Australia

The University of Western Australia (UWA), Australia

Korea Aerospace Research Institute (KARI), Korea

Electronics and Telecommunications Research Institute (ETRI), Korea

IEEE Aerospace and Electronic Systems Society (AESS) Japan Chapter, Japan

In cooperation with

IEEE Geoscience and Remote Sensing Society (GRSS) Tokyo Chapter

AIAA Japan Forum on Satellite Communications (JFSC)

Objective:

The 4th international Workshop for Space, Aeronautical and Navigational Electronics (WSANE 2008) will provide an opportunity for system engineers and researchers to discuss new and viable technical topics of electronics system in spacecraft, aircraft, ships and ground facilities.

Topics:

Topics covered will include but are not limited to the following:

- (1) Satellite and space-station systems
- (2) Remote sensing and scientific observation technology
- (3) Radar systems and applications
- (4) Navigational and communication systems

Instructions for Authors:

Prospective authors are cordially requested to submit an abstract through the [Submission System \(http://www.ieice.org/cs/sane/eng\)](http://www.ieice.org/cs/sane/eng) of technical group on SANE with the title of the paper, the author's name(s), affiliation, and contact information. The contact information should include postal address, telephone/ facsimile numbers and e-mail address,
