

## IEICE Awards, 2006

Newly Recommended Fellow, Honorary Member	541	Achievement Award	552
Distinguished Achievement and Contributions Award	547	Young Researcher's Award	566
Inose Award	558	Best Paper Award	559

## Speech/Address

Message from the President : Industrial Revolution in 21st Century	Tatsuo IZAWA	573
--	--------------	-----

## Special Section on Message to Students in Electronics, Communications, and Information Systems

Editorial Preface	Kaoru ARAKAWA	579
-------------------	---------------	-----

<b>1.</b> Message from the President Technology and the Vicissitudes of Industry	Tatsuo IZAWA	580
<b>2.</b> Message from Industry and Research Institutes	Yasuo HIRATA	582
2-1 The Importance is Human Relationships	Junzo KAWAKAMI	584
2-2 The New Style in General Electronic Manufacturers and Their Expectations to Young Researchers	Hitoshi OGATA	586
2-3 Let's Go Out to See Job Sites	Mutsuhiro ARINOBU	588
2-4 Spurring Innovations for New Era	Yasubumi CHIMURA	590
2-5 A Great Pleasure in an Engineer's Work, In My Case : My Experience in Standardization and Commodification of VoIP, Promotion Activity	Makoto NAGAO	593
2-6 Challenge to New Creative World	Kazumasa ENAMI	596
2-7 The Future of Broadcasting is in Your Hands	Keiji YAMADA	598
2-8 A Method to Make Your Own Dream of 50 Years Later Come True	Takeshi UENOYAMA	601
2-9 Expectation for Students in the Research of an Electric Industry	Takeo KANADE	602
2-10 Approach Your Research as Fun	Shigeru SASAKI	604
2-11 Tradition of Knowledge and the Innovative Challenge to a Contact-less Palm-Vein Authentication Technology	Mitsuho TAHARA	606
2-12 My Practice of Research and Development		
<b>3.</b> Message from the Activities in IEICE		
3-1 Message from the Presidents of Societies and the Group Chairperson		
3-1-1 From Engineering Sciences Society : <i>Study ABC</i>	Kohichi SAKANIWA	608
3-1-2 From Communications Society : "Nonlinear Phenomena" in the Actual World	Yuji INOUE	610
3-1-3 From Electronics Society : Originality	Kazuo HOTATE	612
3-1-4 From Information and Systems Society : Learn, Join and Then Utilize Our Professional Societies of IEICE	Masatsugu KIDODE	615
3-1-5 From Human Communication Group : The Distant and the Close in Technologies	Kiyoharu AIZAWA	617
3-2 Message from Accreditation Policy Council Movements toward Accreditation of Educational Programs in Undergraduate and Graduate Engineering Education	Shoji SHINODA	619
3-3 Invitation To Be an Authorized "Professional Engineer"	Keitaro SEKINE	621
3-4 Message from Continuing Professional Development Team	Yukou MOCHIDA	624
3-5 Message from Committee for Promoting Equal Participation of Men and Women A Strange and Marvelous Relationship between a Person and a Society	Miwako DOI	627
3-6 Message from a Section Message to the Students Studying Electronics, Information and Communication Engineering : For Your Brilliant Future	Hiromitsu HAMA	629
3-7 Message from Student Activity Committee		
3-7-1 A Message from Student Activity Committee, Tokyo Section	Takahiko SABA	631
3-7-2 From Student Activity Committee, Tohoku Section : Student Branch Activity Report at the University of Aizu	Junji KITAMICHI	633
<b>4.</b> Message from IEICE Headquarter Office	Nobuaki IEDA	635

## News Analysis

Temperature Independent Transmission Using Quantum Dot Laser for 10Gbit/s 300m-MMF	638
Flexible Electronic Paper	639
Development of a Fast Stream Cipher Algorithm for Mobile Terminals	641
