- Security Technologies on (Network, AdHoc Network, P2P, Sensor Network, RFID, Wireless Network, Mobile Network, Home Network, NGN, and Future Internet)
- Access Control, Content Security, DRM, CDN, Privacy Protection, E-Commerce, PKI, Security Architecture, Security Protocol, Security Implementation, Technologies, Secure OS, Security Evaluation/Authentication

Submission Instructions :

Papers have to be submitted by **July 31, 2009 (JST)**. Manuscripts should be prepared according to the guideline given in the "Information for Authors". The latest version is available at the web site, http://www.ieice.org/eng/shiori/mokuji_iss.html, or you can refer to its brief summary attached to IEICE Transactions. The length of the paper should not exceed 8 printed pages in principle. The term for revising the manuscript after acknowledgement of conditional acceptance for this special section could be shorter than that for other sections (60 days) because of the tight review schedule. In this special section, only electronic submission is accepted. Prospective authors are requested to follow the submission process described below carefully.

1. Submit a paper and **electronic files (TeX/Word files, figures, authors' photos and biography)** using the IEICE Web site https://review.ieice.org/regist_e.aspx. Authors should choose the [Special-ED] Information and Communication System Security as a "Type of Issue (Section) / Transactions" on the online screen. Do not choose [Regular-ED].

2. Send "Copyright Transfer and Page Charge Agreement" and "Confirmation Sheet of Manuscript Registration" to submission address in following by E-mail, FAX or postal mail until July 31, 2009.

3. Please do not forget to send "Copyright Transfer and Page Charge Agreement" and "Confirmation Sheet of Manuscript Registration". We cannot start the review process without them, even if we receive the manuscript.
