**Call for Papers**

**Special section on**

**Recent Progress in Electromagnetic Theory and Its Application**

_The IEICE (Institute of Electronics, Information and Communication Engineers) Transactions on Electronics_ announces a forthcoming special section on Recent Progress in Electromagnetic Theory and Its Application to be published in January 2013.

The purpose of this special section is to present a collection of original papers that give an overview of recent progress of research and development in electromagnetic theory and its applications, including those related to the papers presented at the 2011 symposium of Electromagnetic Theory, held in Toyama, Japan on November 17-19, 2011. It also shares the scope with the International Symposiums and Meetings: 2011 AP-S and URSI, PIERS 2011, ISAP2011. Presentations in these symposiums and meetings are also considered to be the parts of this special section and submission is highly encouraged.

1. **Scope**
   The major topics of interest include:

2. **Submission Instructions**

   The deadline for submission is **March 26, 2012**. The extended deadline for submission is **April 20, 2012**. Types of manuscripts for this Special Section are only PAPER and BRIEF PAPER. Manuscript should be prepared according to the style guidelines in the Information for Authors attached to the IEICE Transactions on Electronics. The style guidelines are also available at [http://www.ieice.org/eng/shiori/mokuji_es.html](http://www.ieice.org/eng/shiori/mokuji_es.html). The page length should not exceed 8 printed pages. The term for revising the manuscript after acknowledgement of conditional acceptance for this special section could be shorter than that (60 days) for other sections because of the tight review schedule.

   Please note that if accepted, the author of each paper including invited ones is requested to pay the page charges covering partial cost of publications.

   In this special section, the electronic submission is adopted. Prospective authors are requested to follow carefully the submission process described below.

   **(Step 1) Electronic Submission**
   The author is required to make manuscript registration and upload the electronic file of the manuscript at the web page: [https://review.ieice.org/regist_e.aspx](https://review.ieice.org/regist_e.aspx). Authors should choose “[Special-EC] Recent Progress in Electromagnetic Theory and Its Applications” in the “Type of Issue (Section) / Transactions”.

   **(Step 2) Postal Mailing of “the Form on the Copyright Transfer and the Page Charge Agreement” and “Confirmation Sheet of Manuscript”**

   “The Form on Copyright Transfer and Page Charge Agreement” and “Confirmation Sheet of Manuscript” should be sent by postal mail, fax, or e-mail to the following address. Please mark “Special Section on Recent Progress in Electromagnetic Theory and Its Applications” on the envelope.

   Manuscripts and all inquiries should be sent to:
   **Prof. Kiyotaka Fujisaki**
   **Department of Advanced Information Technology,**
   **Faculty of Information Science and Electrical Engineering, Kyushu University**
   **744 Motooka, Nishi-ku, Fukuoka 819-0395, Japan**
   **Phone: +81-92-802-3636, Fax: +81-92-802-3600, E-mail: fujisaki@ait.kyushu-u.ac.jp**

3. **Editorial Committee of the Special Section on Recent Progress in Electromagnetic Theory and Its Applications:**

   **Guest Editors:**  
   Masahiko Nishimoto (Kumamoto Univ.), Hiroshi Shirai (Chuo Univ.)

   **Secretaries:**  
   Kiyotaka Fujisaki (Kyushu Univ.), Yoshiaki Ando (The Univ. of Electro-Communications)

   **Associate Editors:**  
   Hiroyuki Deguchi (Doshisha Univ.), Keiji Goto (National Defense Academy),
   Takuichi Hirano (Tokyo Inst. of Tech.), Yoshio Inasawa (Mitsubishi Electric Corp.),
   Tatsuya Kashiwa (Kitami Institute of Tech.), Shohei Kadota (The Univ. of Electro-Communications),
   Michiko Kuroda (Tokyo Univ. of Tech.), Shinichiro Ohruki (Nihon Univ.),
   Ryoichi Sato (Niigata Univ.), Masahiro Tanaka (Gifu Univ.),
   Koki Watanabe (Fukuoka Inst. of Tech.), Mitsuhiro Yokota (Univ. of Miyazaki)

**[IMPORTANT NOTICE]** At least one of the authors must be an IEICE member when the manuscript is submitted for review. Invited papers are an exception. We recommend that authors unaffiliated with IEICE apply for membership. For membership applications, please visit the web-page, [http://www.ieice.org/eng/member/OM-appli.html](http://www.ieice.org/eng/member/OM-appli.html).
