Call for Papers

--------- Special Section on the Architectures, Protocols, and Applications for the Future Internet ---------

The Institute of Electronics, Information and Communication Engineers (IEICE) announces a forthcoming special section on "The Architectures, Protocols, and Applications for the Future Internet" to be published in January 2016 as a special section of Transactions on Information and Systems. The objective of this special issue is to publish and overview recent progress in the interdisciplinary area of the Internet technologies and their various applications for diversified future.

1. Scope

(1) Internet architecture and protocols
   Wireless, mobile, ubiquitous and/or ad-hoc networking, Autonomous and/or distributed routing, Robust, adaptive and QoS aware traffic control, Datacenter networking, Network virtualization, SDN (Software Defined Networking), Sensor networking, ITS (Intelligent Transport System), ID/location separation, Content-centric networking

(2) Network computing and applications
   Distributed computing, GRID computing, Cloud Computing, Social Networking, Network infrastructure for big data, Pervasive computing, IoT (Internet of Things), Cyber physical system, Smart grid, Network and applications for ecology

(3) Internet operation and management
   Analysis method and amelioration technology for customer satisfaction, QoS/QoE management, tele-presence, Digital rights management (DRM), Architecture and/or protocols for content distribution network (CDN), Integration of communication and broadcasting

(4) Internet security and impact of Internet technology to human society
   Secure protocols, Firewall technology, Packet filtering technology, Intrusion detection, Packet tracing technology, Authentication/Authorization (including PKI), Network security from social aspect, Internet for education, medical treatment, welfare and dealing with disasters, Internet for the commerce infrastructure, Education for information ethics

2. Manuscript for Special Section

A manuscript of this special section shall follow the guidelines for the regular section (the length is recommended within 8 printed pages for a paper, 2 printed pages for a letter). See “Information for Authors” (http://www.ieice.org/eng/shiori/mokuji_iss.html) for details. The time period for re-submission after the first review notification (60 days for the regular section) may be shortened.

3. Submission Instructions

This special section will accept only manuscripts by electronic submission. Prospective authors are requested to follow carefully the submission process described below.
Submit a paper using the IEICE Web site https://review.ieice.org/regist/regist_baseinfo_e.aspx Authors should choose the [Special-NT] The Architectures, Protocols, and Applications for the Future Internet as a " Journal/Section " on the online screen. Do not choose [Regular-ED].

4. Submission Deadline

March 20, 2015 (Fri.)

5. Contact Point

Daisuke Matsubara
Hitachi, Ltd., Yokohama Research Laboratory 292 Yoshida-cho, Totsuka-ku, Yokohama, Kanagawa 244-0817, Japan
TEL: +81-(0)50-3135-2701 FAX: +81-(0)50-3135-3389 E-mail : daisuke.matsubara.pj@hitachi.com

6. Editorial Board for this Special Section

Guest Editor-in-Chief: Toyokazu Akiyama (Kyoto Sangyo Univ.)
Guest Editorial Manager: Daisuke Matsubara (Hitachi Ltd.), Yoshinori Kitatsuji (KDDI R&D Laboratories, Inc.)
Guest Associate Editors: Ray Atarashi (IIJ Innovation Institute Inc.), Kohia Osahina (Saitama Institute of Technology), Motoyuki Omori (Tottori Univ.), Masaru Katayama (NTT), Yusheng Ji (National Institute of Informatics), Hiroyuki Sato (Univ. of Tokyo), Takuo Suganuma (Tohoku Univ.), Shinji Sugawara (Chiba Institute of Technology), Kenji Fujikawa (NICT), Shou Fujita (Yokogawa Electric Corporation), Shigeru Miyake (Hitachi Ltd.), Tomohiko Yagyu (NEC), Hiroshi Yamamoto (Nagaoka Univ. of Technology)

7. Remarks

* Please note that if accepted, all authors, including authors of invited papers, are requested to pay for the page charges covering partial cost of publications.
* At least one of the authors must be an IEICE member when the manuscript is submitted for review. Invited papers are an exception. We recommend that authors unaffiliated with IEICE apply for membership. For membership applications, please visit the web-page, http://www.ieice.org/eng/member/OM-appli.html
