

— Special Section on Data Engineering and Information Management —

submit by ~~June 27 (extended) June 20, 2018 (JST)~~ published in April 2019

The Institute of Electronics, Information and Communication Engineers (IEICE) announces a forthcoming special section on “Data Engineering and Information Management”, which is published in Transactions on Information and Systems*. We invite submissions of original and unpublished papers in the field of wide range of the title.

1. Scope

Original papers on both theoretical and practical data engineering and information management, and its related research are welcome to this special section. The topics of interest include, but are not limited to the following:

- *Data Engineering*: file structure, storage, query processing, query languages, transaction processing, data model, cloud computing, distributed and parallel databases, P2P system, multimedia databases, spatial and temporal databases, mobile databases, sensor databases, data warehouse, OLAP, data mining, XML and semi-structured databases, stream processing
- *Information Management*: crowd sourcing, meta-data, semantic Web, information and data broadcasting, e-commerce, e-learning, security and privacy, contents technologies, Web services, information retrieval and extraction, summarization, digital libraries, data archive, visualization, user interfaces, recommendation, personalization, graph management, social networks, data integration, probabilistic database, GIS, scientific databases

Papers whose topic are far from data engineering and information management may be rejected without review. This special section does not accept SURVEY papers.

2. Submission Guidelines:

- A manuscript should be prepared according to the guideline given in “*The Information for Authors*” (http://www.ieice.org/eng/shiori/mokuji_iss.html). We encourage the authors to use the IEICE Style File (<http://www.ieice.org/ftp/index-e.html>). The standard number of pages is 8 for a PAPER and 2 for a LETTER with the format determined by the IEICE Style File. The maximum number of pages for the initial submission of a LETTER is 4.
- **Submit the manuscript and transfer the copyright to the IEICE through the IEICE Web site** (https://review.ieice.org/regist/regist_baseinfo_e.aspx). Choose “[Special-DA] Data Engineering and Information Management” in the menu of " Journal/Section " in the submission page.
- Inquiries:
Yasuhiko Morimoto
Graduate School of Information Engineering, Hiroshima University, Japan
Email: morimo@hiroshima-u.ac.jp
- **Submission deadline of the manuscript is ~~June 27 (extended) June 20, 2018 (JST)~~. [firm deadline]**

3. Notice to the Authors:

- **Upon accepted for publication, all authors, including authors of invited papers, should pay the page charges covering partial cost of publication around December 2018. If payment is not completed by 15 January, 2019, your manuscript will be handled as rejection.**
- The standard period of 60 days between the notification (of conditional accept) and the second submission can be shortened according as the review schedule.
- **At least one of the authors must be an IEICE member** when the manuscript is submitted for review. We recommend authors unaffiliated with IEICE to apply for the membership. <<http://www.ieice.org/eng/index.html>>

4. Special Section Editorial Committee:

Editor-in-Chief: Koji Eguchi (Kobe Univ.)

Editors: Yasuhiko Morimoto (Hiroshima Univ.), Qiang Ma (Kyoto Univ.), Yasuhiro Fujiwara (NTT),

Associate Editors: Yukino Baba (Kyoto Univ.), Koji Inui (Univ. of Tsukuba), Yoko Kamidoi (Hiroshima City Univ.), Yasuhiko Kanemasa (Fujitsu), Hideyuki Kawashima (Univ. of Tsukuba), Takuya Kida (Hokkaido Univ.), Kyoung-Sook Kim (AIST), Takeshi Kurashima (NTT), Hisashi Miyamori (Kyoto Sangyo Univ.), Kyosuke Nishida (NTT), Jun Sakuma (Univ. of Tsukuba), Takahiko Shintani (Univ. of Electro-Communications), Hiroaki Shiokawa (Univ. of Tsukuba), Taro Tezuka (Univ. of Tsukuba), Masaaki Tsuchida (COTOBADDESIGN, Inc.), Kei Wakabayashi (Univ. of Tsukuba), Takehiro Yamamoto (Kyoto Univ.), Bin Yang (Hitachi), Masaharu Yoshioka (Hokkaido Univ.)

Inquiry should be made to the Guest Editor, preferably by Email with Subject “IEICE(DA2018)”.

*The IEICE Transactions on Information and Systems has been selected for coverage in the ISI (Institute for Scientific Information) products/services of Science Citation Index Expanded (included in “Web of Science”), Current Contents (Edition: Engineering, Computing and Technology), ISI Alerting Services, and CompuMath Citation Index.

*The IEICE Transactions on Information and Systems are open access journal since Jan.,2017. Open access to “IEICE Transactions on Information and Systems” is available via the J-STAGE (<https://www.jstage.jst.go.jp/browse/transinf/>).
