

Special Section on Enriched Multimediasubmit by **March 30, 2014 (Extended)** published in **January 2015**

The Institute of Electronics, Information and Communication Engineers (IEICE) announces a forthcoming special section on “Enriched Multimedia” to be published in Transactions on Information and Systems. We invite submissions of original and unpublished papers that review and promote recent progress in the field of enriched multi-media.

1. Scope

The following topics fall within the scope of this special section. However, the submissions of papers on other topics conforming to the aim of this special section is encouraged.

- *Protect content value* —Media Security, Content Security, Access Control, Watermarking, Steganography
- *Develop content value* —Content Integration, Cross-media Retrieval, Media Restoration, Multimedia Annotation, Multimedia Abstraction
- *Create content value* —Content Design, Realistic Media Creation, Universal Media, Digital Entertainment
- *Measure content value* —Content Evaluation, Image/Audio Quality Measurement, Perception/Cognitive Metrics, Human Audiovisual System

2. Submission Guidelines:

- The manuscript should be prepared in accordance with the guidelines given in “*The Information for Authors*” (http://www.ieice.org/eng/shiori/mokuji_iss.html). Authors are encouraged to use the IEICE Style File (<http://www.ieice.org/ftp/index-e.html>). The preferred length is eight pages for a PAPER and two pages for a LETTER with the format shown in the IEICE Style File.
- **Submit the manuscript through the IEICE Web site** (https://review.ieice.org/regist/regist_baseinfo_e.aspx). Choose “[Special-MU] Enriched Multimedia” from the menu for “Journal / Section” on the submission page.
- Send “*Confirmation Sheet of Manuscript Registration*” and “*Copyright Transfer and Page Charge Agreement*” by e-mail attachment to the following address (one of the Guest Editors), not later than one week after submission.
