Sponsored by IEICE ICM, KICS KNOM

Technically co-sponsored by IEEE Communications Society

September 18-20, 2019 in Matsue, Japan

- Management in a Cyber-Physical World -

The Asia-Pacific Network Operations and Management Symposium (APNOMS) is the premier conference on network operations and management in the Asia-Pacific region. APNOMS meets every year, typically during August or September, and boasts a rich history of successes. It includes a full three-day program of keynotes, tutorials, technical sessions, panel discussions, poster sessions, and exhibits focusing on managing networks that span the computing and telecommunications areas. APNOMS 2019 will encourage open discussions on technology alternatives that focus on the management and operation of current and future networks and services. Please refer to the APNOMS 2019 homepage (<http://www.apnoms.org/2019/>) for detailed technical programs and events.
