Abstract IEICE (The Institute of Electronics, Information and Communication Engineers) provides a template file for the IEICE Technical Report.

Key words IEICE, IEICE technical report, L^AT_EX, template

1 Manuscript Format

First of all, Title, sub-title, authors, affiliation, address, phone number, E-mail abstract (within 100 words long) and keywords must be written in English. Continuously, the main content of your paper is written in English. Use A4 papers and type or print your main content within 180 mm wide x 250 mm long area with one or two column format. Figures, tables and photographs also must be set in the area.

2 Number of pages

Manuscript must be within 6 pages including the first page (Title etc.), main content, all the figures, tables and photographs.

3 Type size

A 10 (or 9) point type size will be recommended for main text, figures and tables. The type size of the title and sub-title must be larger than the main text type size. In order to avoid garbled characters on your manuscript, you can use only following fonts: Times, Times New Roman, Helvetica, Arial or Symbol. If you want to use other fonts, they must be embedded as you convert the file to PDF format under your responsibility. Otherwise, they are going to be garbled.

4 Figures, tables and photographs

Figures and tables can be placed at any position in your manuscript. Photographs are recommended to be placed together.

5 One free proceeding for author

Author will receive one free proceeding per presentation.

6 Copyright

It is the policy of IEICE to own the copyright to the full paper manuscript published in Technical Report of IEICE.
