

2017 Asian Workshop on Antennas and Propagation (AWAP2017)

June 28-30, 2017
Hokkaido University, Sapporo, Hokkaido, Japan

CALL FOR PAPERS

ABOUT AWAP2017

The AWAP2017 will be held at Hokkaido University in Sapporo, Hokkaido, Japan, during June 28-30, 2017. This workshop is organized by the Technical Committee on Antennas and Propagation of IEICE, Japan, and will comprise several technical sessions including oral sessions by invited speakers and poster sessions for the exchange of information on the progress of research and development in antennas, propagation, and related fields, and some social events to promote friendship among the participants. Welcome to Sapporo. Let's make friends !!

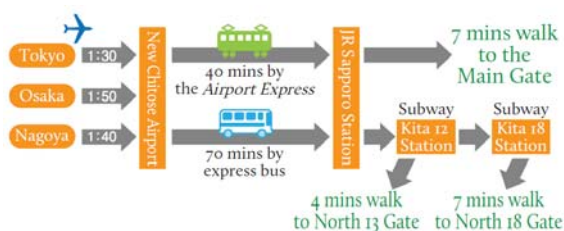

VENUE

Frontier Research in Applied Sciences Building, Sapporo Campus, Hokkaido University.
