

2023 Asian Workshop on Antennas and Propagation (AWAP2023)

June 29 – July 1, 2023 | Dawn Center, Osaka, Japan

https://www.ieice.org/cs/ap/event/adhoc_meetings/overseas/awap2023/

The AWAP2023 is calling for papers to be presented at Dawn Center in Osaka, Japan, on June 29 - July 1, 2023. This workshop is organized by the Technical Committee on Antennas and Propagation of IEICE, Japan, and will feature multiple technical sessions, including oral sessions with invited speakers, focused on the exchange of information about the latest research and development in antennas, propagation, and related fields. Additionally, social events will be held to encourage participants to make new friends.

Welcome to Osaka! We look forward to meeting you and building new connections.

TENTATIVE SCHEDULE

- 24 May 2023 (extended)
Paper registration
- 24 May 2023 (extended)
Abstract submission deadline
- 5 June 2023 (extended)
Final paper submission deadline
- 10 June 2023
Registration deadline
- 29-30 June 2023
Workshop date
- 1 July 2023
Research exchange

WORKSHOP TOPICS

- Antennas & Propagation
- Microwave Devices & Circuits
- Radio Communication System
- Electromagnetic Simulation
- Internet of Things

REGISTRATION FEES

- REGULAR : 30000 JPY
- STUDENT : 10000 JPY

General Co-chairs

Kunio Sakakibara (Nagoya Institute of Technology)
Jae-Young Chung (Seoul Tech.)
Danai Torrungrueng (KMUTNB)

Vice-Chair

Qiaowei Yuan (Tohoku Institute of Technology)

Local Arrangement Chair

Hidehisa Shiomi (Osaka University)

TPC co-chairs

Takeshi Fukusako (Kumamoto Univ.)
GangilByun (UNIST)
Titipong Lertwiriayaprapa (KMUTNB)
Satoru Kurokawa (AIST)

Secretaries

Kentaro Saito (Tokyo Denki University)
Yuanteng She (AIST)
Takashi Hikage (Hokkaido University)
Michitaka Ameya (AIST)
