

Call for Papers

4th International Workshop on Photonics applied
to Electromagnetic Measurements in Sapporo

PEM2021 in Sapporo

Date: November 29–30, 2021

Venue: Hokkaido University, Sapporo, Japan

Style: Hybrid of on site and web

Paper Submission Deadline: Aug. 21, 2021 (extended)

https://www.ieice.org/~pem/link/5_pem2021/pem2021.html

Topics include (but are not limited to):

1. Basic theory/techniques related to PEM
2. Systems for PEM
3. Applications of PEM
Antenna measurements, EMC measurements,
Remote sensing, Imaging, Spectroscopy, ... etc.
4. Competitive/complementary technologies to PEM

Workshop Committee:

Workshop chair

Teruo Onishi (NICT, Japan)

Local steering committee chair

Takashi Hikage (Hokkaido Univ., Japan)

Finance committee chair

Akihisa Tsuchiya (KISTEC, Japan)

Technical program committee chair

Ai-ichiro Sasaki (Kindai Univ., Japan)

Secretaries

Jun Katsuyama (Yokogawa Electric, Japan)

Yuto Shimizu (NICT, Japan)
