

ICETC 2020

Submission Instruction for Camera-Ready Paper

[Japanese version]

https://www.ieice.org/cs/icetc/doc/Camera_ready_jp.pdf

Review Evaluation

- All submitted manuscripts have been reviewed by two researchers based on the following seven items.
 - Originality
 - Practicality
 - Reliability
 - References
 - Presentation
 - English grammar and spelling
 - Over-all judgment
 - The author will not be notified of the evaluation results of the above items, but these results are used in the review process and the award selection process.
- Review evaluation is “Acceptance” or “Rejection”.

The authors will receive the E-mail for “Notification of Review Evaluation” after Oct. 28th. If the manuscript is accepted, [Notification of Conditional Acceptance] is written on the first line of the E-mail is due to system specifications.

Process After Acceptance

The authors will receive the E-mail where
[Notification Conditional Acceptance is written on the first line.

- [1] Please click the following URL in the E-mail of “Notification of Review Evaluation”.

Click the following URL right now to let us know that you receive this e-mail.

(This URL is available for only one time.)

https://review.ieice.org/judgement/judgement_recei.....

- [2] Please check **Acceptance Category (Oral / Short presentation)** in the above E-mail.
- [3] Please check reviewer’s comments. You can modify the manuscript according to the comments. .

Process After Acceptance

[4] Please make a **Camera-ready paper**. The paper format is the same as the submitted manuscript format.

- LaTeX (utf-8) format

<https://www.ieice.org/cs/icetc/doc/ICETC-format-LaTeX.zip>

- Word format

<https://www.ieice.org/cs/icetc/doc/ICETC-format-Word.docx>

Note :

- Number of pages is 2-4 for Oral and 1 for Short presentation. If your manuscript is accepted in a difference category, you do not have to change the number of pages.
- Please ensure that the format of your camera-ready paper follows the above format. Because the paper format can not be checked automatically in our system, your manuscript may be published in a different format.

Process After Acceptance

[5] Please submit **Camera-ready paper** by **November 16th (Mon)**.

- Before the submission, please prepare the following two files.

A. PDF file of Camera-ready paper

B. PDF file of dummy

(You can use the file A if you change its file name)

- Submission process

1) Please click the following URL that is written in the received E-mail, which is denoted at [1] on page 5 of this slide.

___*___*___*___*___*___*___*___*___*___*___*___*___*___*___

How to submit your revised manuscript, reply letter and electronic source files for publishing:

https://review.ieice.org/replyreg/reply_regist_e.aspxXXXXXXXXXXXXXXXXXX
 XX

___*___*___*___*___*___*___*___*___*___*___*___*___*___*___

Process After Acceptance

[5] Please submit **Camera-ready paper** by **November 16th (Mon)**.

- Submission process
 - 1) The submission page is displayed.
 - 2) The submission page is displayed. Please click  button at the bottom of this page.

Submitting the Revised Paper

Manuscript ID : 2020XXP-XXXX

Title : AI-based Network Virtualization with MEC Platform in 5G Networks

Author(s) : Takuji Tachibana(University of Fukui)

Due Date : XXXX-XX-XX

Upload all the following data on the next page.

- PDF files for review** (upper limit: **4MB** per one file)
 - Revised Manuscript PDF file **with marks** for reviewer including all figures, tables,
 - Reviewers' comments and Reply Letter PDF file
You are to write how you dealt with each of the reviewers' comments in your Reply.
- Electronic source files for publishing** (upper limit: **10MB** per one file)
 - Revised Manuscript PDF file **without marks** including all figures, tables, etc.
 - Source files (LaTeX or Word) of the Revised Manuscript PDF (referred in above "c")
 - Source files of each figure and table (EX. eps, jpg, ppt, etc.)
 - Biography data of each author (NOT necessary for a LETTER or "NOLTA")
 - Photograph data of each author (NOT necessary for a LETTER or "NOLTA")

Compressed files such as .zip and .lzh are better.

[NOTE]

- * Ensure that all the characters in each figure are **legible** and the image used in each figure is clear.
- * The photograph of the IEICE Member whose paper was published in our Transactions should include "Volume, No. and pp." information in [this form](#) and upload its text file named "R-Photo-Info".
- * Self-descriptive file names are preferred (e.g. manuscript.tex, fig1.eps, bio_JackBachman.pdf).
- * The electronic files will be used for publishing as final manuscript data when a manuscript is accepted.
- * The page charges will be calculated from the electronic source files (IEICE LaTeX style) in PDF format. Since author could not replace the files after he/she uploads them, using the electronic source files is recommended.

Process After Acceptance

[5] Please submit **Camera-ready paper** by **November 16th (Mon)**.

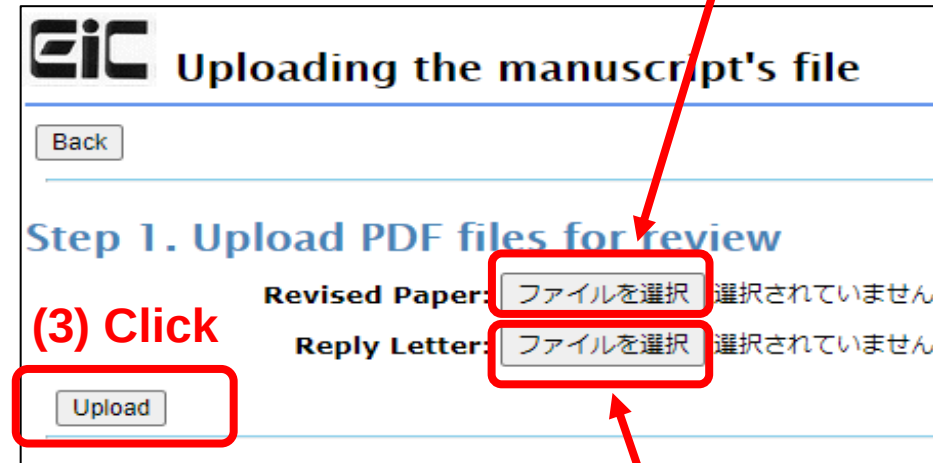

- Submission process

3) At Step 1 on the next page, please select **a PDF file of the camera-ready paper** for (1) Revised Paper.

Then, please select **a PDF file of dummy** for (2) Reply Letter .

(3) Please click Upload button.

(1) Please select
a PDF file of
Camera-ready paper

EiC Uploading the manuscript's file

Back

Step 1. Upload PDF files for review

Revised Paper: ファイルを選択 選択されていません

Reply Letter: ファイルを選択 選択されていません

Upload

(3) Click

(2) Please select
a PDF file of
dummy

Note: If the authors select the same file at (1) and (2),
an error occurs because the file name is the same.

Process After Acceptance

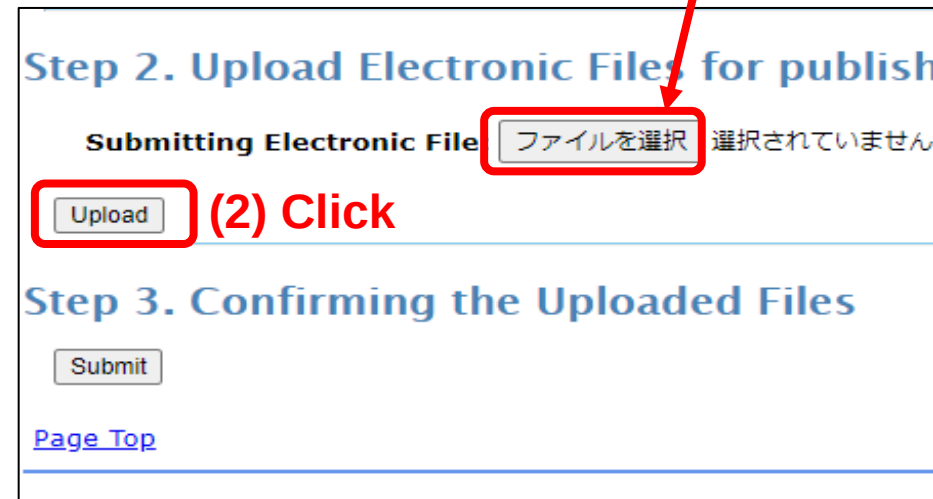

[5] Please submit **Camera-ready paper** by **November 16th (Mon)**.

- Submission process

4) At step 2 on the same page,
please select **a PDF file of
the camera-ready paper**
for (1) Submitting Electronic
File.

(2) Please click Upload
button.

**(1) Please select
a PDF file of
Camera-ready paper**

The screenshot shows a web interface for submitting electronic files. It is divided into two main sections: "Step 2. Upload Electronic Files for publish" and "Step 3. Confirming the Uploaded Files". In Step 2, there is a label "Submitting Electronic File" followed by a button labeled "ファイルを選択" (Select File) which is currently disabled, indicated by the text "選択されていません" (Not selected). A red arrow points to this button from the instruction "(1) Please select a PDF file of Camera-ready paper". Below this, there is an "Upload" button, which is highlighted with a red box and labeled with the instruction "(2) Click". Step 3 contains a "Submit" button. At the bottom of the interface, there is a link labeled "Page Top".

Note: The authors can select a PDF file
of dummy at the above (1).

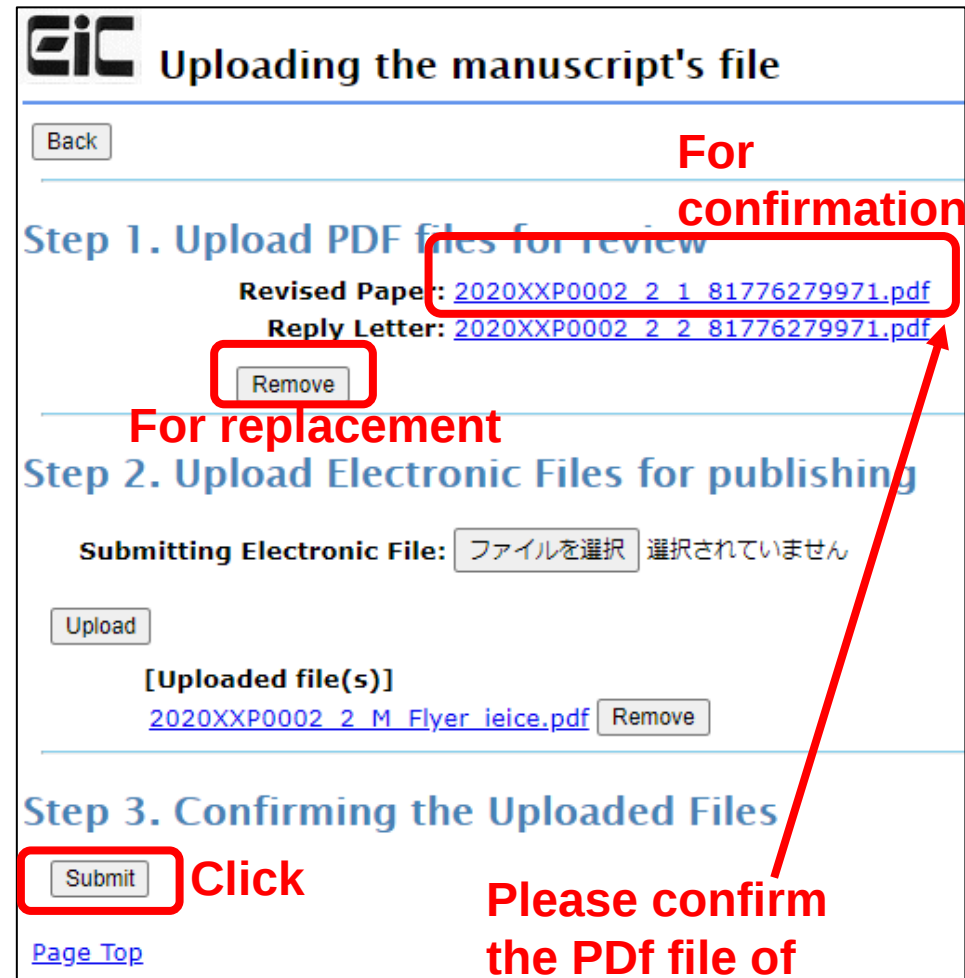

Process After Acceptance

[5] Please submit **Camera-ready paper** by **November 16th (Mon)** .

- Submission process
 - 5) Please confirm the PDF file of Camera-ready paper that was selected at (1) on page 9 of this slide.

If they would like to replace the file, please click **Remove** button.

If there is no problem, please click **Submit** button.

The screenshot shows the 'Uploading the manuscript's file' page. It has three main steps:

- Step 1. Upload PDF files for review**: Shows 'Revised Paper' and 'Reply Letter' links to PDF files. A red box highlights these links with the text 'For confirmation'. A 'Remove' button is also present, highlighted with a red box and the text 'For replacement'.
- Step 2. Upload Electronic Files for publishing**: Shows a 'Submitting Electronic File' section with a file selection button and a message '選択されていません'. Below it is an 'Upload' button and a list of 'Uploaded file(s)' including '2020XXP0002_2_M_Flyer_ieice.pdf' with a 'Remove' button.
- Step 3. Confirming the Uploaded Files**: Contains a 'Submit' button highlighted with a red box and the text 'Click'.

A red arrow points from the 'Submit' button in Step 3 to the PDF links in Step 1, with the text 'Please confirm the Pdf file of Camera-ready paper'.

Process After Acceptance

[5] Please submit **Camera-ready paper** by **November 16th (Mon)**.

- Submission process is completed.
- You will receive an E-mail from the submission system (trans-b@ieice.org).

 **Complete the upload**

"Notification of Temporary Registration for Revised manuscript" is sent to the registered E-mail addresses.
"Receipt of Response Sheet and Revised Manuscript" will be sent by E-mail after the confirmation by IEICE Publishing Office. Contact the Office if you do not receive the E-mail after 7 days from the submission.

If the title/the order of the authors is changed, the reason of the change has to be written clearly in the Reply Letter. And resubmit "Copyright Transfer and Page Charge Agreement" with author's handwritten signature to the IEICE Publishing Office.

[Contact Address]

[Notification of Temporary Registration for Revised Manuscript]

October 26, 2020.

Manuscript ID: 2020XXP [REDACTED]
Paper/Letter: Paper
Issue: EB
Regular/Special: Special
Title of Special Issue: ICETC 2020
Title: AI-based Network Virtualization with MEC Platform in 5G Networks

Dr. Takuji Tachibana
University of Fukui

Dear Dr. Takuji Tachibana,

We inform you that temporary registration of your revised manuscript has completed.
We will send you "Receipt of Response Sheet and Revised Manuscript" after we confirm your manuscript files.

As to resubmitted manuscripts, it will be presented for consideration in

Example of your received E-mail after this submission

Process After Acceptance

[6] Please make **a registration** by **November 23th (Mon)** through the following URL.

<https://www.ieice.org/cs/icetc/registration.html>

- The authors can make a registration before submitting the camera-ready paper.
- At least one person is required to pay the presentation fee for each accepted paper. The manuscript ID (2020xxx0abc) is needed.
- All presenters who have paid the presentation fee are not required to pay the participation fee.
- All presenters who make more than one presentation are required to pay the presentation fee for each presentation and register for the same number of presentations.
- **Early registration deadline is November 17th.**

EB special issue, ComEX special cluster

- ICETC2020 has planned to publish the following special issue and special cluster.
- The paper submission is not limited to the authors of ICETC2020.

- IEICE Transaction of Communications (EB)

[CFP] https://www.ieice.org/cs/icetc/doc/cfp_eb.pdf

[Submission due date] February 24th, 2021

- IEICE Communications Express (ComEX)

[CFP] https://www.ieice.org/cs/icetc/doc/cfp_comex.pdf

[Submission due date] January 4th, 2021 (1st submission)

February 16th, 2021 (2nd submission)

Note: We can not receive the exact same paper of ICETC2020.
