Significance of IEICE All Sections Meeting

Iwao Sasase

Vice President of IEICE
Chair of IEICE International Affairs Committee
Professor, Keio University
IEICE Organization

General Assembly

Board of Directors

Council

Standards Committee

10 Regional Sections

Engineering Sciences Society (ESS) / NOLTA Society (NLS)

Communications Society (CS)

Electronics Society (ES)

Information and Systems Society (ISS)

Human Communications Engineering Group (HCG)
IEICE Membership Structure

Members 24,289

- Affiliate members 1
- Student members 3,631
- Associate supporting members (Libraries) 268
- Supporting members (Companies) 143
- Overseas members 3,155
- Honorary Members 88
IEICE Membership of Societies & Group

- Human Communications Group (HCG) 2.5%
- Information and Systems (ISS) 31.2%
- Electronics (ES) 17.6%
- Engineering Sciences (ESS) 16.8%
- Communications (CS) 31.9%

35,669 in total

March, 2014
IEICE Overseas Membership

- East Asia 86.1%
- Middle East 4.4%
- Europe 4.4%
- North America 2.2%
- Central America 1.4%
- South America 0.8%
- Oceania 0.3%
- Africa 0.4%

3,155 in total

March, 2014
Published Papers (English Transactions)

1,342 papers in total
*including both sections of regular and special

1 Japan 57%
2 China 20%
3 Korea 14%
4 Taiwan 3%
5 Others 6%
IEICE Transactions (English)

English Transactions are independently edited by each Editorial Committee of

Engineering Sciences Society (ESS),
Communications Society (CS),
Electronics Society (ES) and
Information and Systems Society (ISS).

Total about 10,400 pages
Acceptance Ratio: 30〜50%
Other Journals (English)

Nonlinear Theory and Its Applications, IEICE (NOLTA)
NOLTA is published quarterly.
http://www.nolta.ieice.org/index.html

<Paperless letter journals>

IEICE Electronics Express (ELEX)
ELEX is published daily.
The average time of receipt-to-publication is 65 days.
http://www.elex.ieice.org/index.html

IEICE Communications Express (ComEX)
ComEX has been launched and published daily since June 2012.
http://www.comex.ieice.org/
IEICE’s Evolving Global Services

- International Conferences/Symposiums
- Technical Committees/Workshops
- Seminars by IEICE’s Distinguished Lecturers
- English Transactions
- Electronic Journals
- Membership Fee Discount System
- Alliance of Sister Society
- OMDP
- I-Scover
- Global News Letters/Global Plaza

Internalization of IEICE

**Vision**

For current members, potential members covering students and researchers who are studying, trying to study or have studied in Japan,

1. **Mutual better understanding**
   by promoting communication between you and IEICE, or yourselves

2. **Delivery of the most updated and useful information**
   for your plans, academic activities or achievements

3. **Encouraging you to be more active in various IEICE activities**
   through collaborating among all international and domestic (=Japanese) sections
The International ("Overseas" before) Sections Meeting has been held since 2003.

The All Sections Meeting covering both 11 International Sections and 10 Regional Sections in Japan was started last year.

This year, 12 International Sections including the IEICE Malaysia Section join the meeting which will be organized at Kusatsu Campus of Ritsumeikan-University very near Kyoto-city on March 12 Thursday.
IEICE All Sections Meeting

Purpose

• Mutual understanding and exchange of views among sections

• Fruitful discussion on future collaborations to establish strong ties among sections such as holding joint-workshops or conferences

• All representative of each International sections are asked to present the strategy, planning, results of academic activities related to IEICE and expectations for collaborations with one or some of Regional(=Domestic in Japan) Section(s).
IEICE All Sections Meeting

Poster Material Request

- ICT R&D environment around each Section
- Organization, role assignment of each Representative Office
- Policy/strategy, annual plan, academic activities of each Section over the past one year
- Strategy to extend the membership in each Section or region
- Plan of IEICE sponsored lecture and international conference/symposium/workshop organized by each Section
• ICT R&D environment around each Section
• Make a fast-track approval process for established conference
• Consider process for holding joint-workshop among international sections.
• Increase the number of non-Japanese editors and reviewers
• Promote planning special issue for the conference organized by International Sections
• Assign more number of international distinguished lecturer
• Encourage to use and to enhance I-Scover
• Distribute list of participants including email addresses etc.
Thank you
for your kind attention
