Technical Committees
- Electromagnetics field
  - Component Parts and Materials
  - Electromagnetic Theory (EMT)
  - Microwaves (MW)
  - Electronic Simulation Technology (EST)
- Ad Hoc
  - Integrated Photonic Devices and their Applications (IPDA)
  - Ultrafast Optoelectronics (UFO)
  - System Nanotechnology (SNT)
  - Organic Molecular Electronics (OME)
- Ad Hoc
  - Quantum Information Technology (QIT)

- Photonics field
  - Optoelectronics (OPE)
  - Lasers and Quantum Electronics (LQE)
  - Microwaves Photonics (MWP)
- Ad Hoc
  - Silicon Photonics (SIPH)

- Circuit, Devices, and Interdisciplinary field
  - Electromechanical Devices (EMD)
  - Magnetic Recording (MRIS)
  - Superconducting Electronics (SCE)
  - Integrated Circuits and Devices (ICD)
  - Organic Molecular Electronics (OMM)
- Ad Hoc
  - Quantum Information Technology (QIT)

International Conferences
- Sponsored or Co-sponsored International Conferences or Workshops in 2016, 2018.
  - ISOME2016
  - OEEC/PS2016
  - ISLC2016
  - AWC2016
  - PIERS2018
  - IGETC2017
  - IGARSS2019

Fields
- Electromagnetics
- Photonics
- Circuit, Devices, and Interdisciplinary
- Electromechanical Devices
- Magnetic Recording
- Superconducting Electronics
- Integrated Circuits and Devices
- Organic Molecular Electronics
- Quantum Information Technology

Merits;
- Mutual submission of papers.
- Discount rates for submission/subscription/participation

Activities in Domestic Conferences
- Special sessions of outstanding presentation Award for Thailand-Japan MicroWave

Countries
- China
- Korea
- Others

Fields
- Electronic Devices
- Microwave
- Optoelectronics
- Others
