Information for Authors

Manuscripts should be prepared according to the guidelines in the Information for Authors available at the IEICE web site "https://www.ieice.org/eng/shiori/mokuji_ess.html". Manuscript style specification can be found at the web site (Section 3: Manuscript Style Specifications). The number of pages is recommended to be 8 for a PAPER and 2 for a LETTER. A page has about 900 words. It is not allowed to submit survey papers.

Please read carefully our policy on duplicate submissions available at "https://www.ieice.org/eng/shiori/page2_ess.html#1-3".

Submission

This special section will accept only papers by electronic submission. Prospective authors are requested to follow carefully the submission process described below.

1. Submit a paper using the IEICE Web site "https://review.ieice.org/regist/regist_baseinfo_e.aspx".
2. Authors should choose [Special CI] Cryptography and Information Security as "[2] Journal / Section" on the online screen. Do not choose [Regular EA] Fundamentals.
3. Authors must agree to the "Copyright Transfer and Page Charge Agreement" via electronic submission.
4. At least one of the authors must be an IEICE member when the manuscript is submitted for review. We recommend that authors unaffiliated with IEICE apply for membership. For membership applications, please visit https://www.ieice.org/eng_r/join/individual_member.html

Deadline

The deadline of Electronic submissions: March 15, 2021.

Notification

Acceptance or reject of the submitted papers or letters will be notified to the authors before middle of August 2021. Please note that if accepted, all authors will be requested to pay for the page charges covering partial cost of publication. If the page charges have not been paid until the due date (15 September, 2021), the acceptance will be canceled.
