Special Section on Information and Communication System Security

The IEICE Transactions on Information and Systems, which is included in SCIE (Science Citation Index Expanded), announces that it will publish a special section entitled “Special Section on Information and Communication System Security” in September, 2023.

1. Scope
Topics related to information security for information and communication system are welcome. In particular, the major topics include, but are not limited to:

2. Submission Instructions
- A manuscript should be prepared according to the guideline given in “The Information for Authors” (https://www.ieice.org/eng/shiori/mokuji_iss.html). We encourage the authors to use the IEICE Style File (https://www.ieice.org/ftp/index-e.html). The preferred length of the manuscript is 8 pages for a PAPER and 2 pages for a LETTER with the format determined by the IEICE Style File.
- Submit the manuscript through the IEICE Web site (https://review.ieice.org/regist/regist_baseinfo_e.aspx). Choose “[Special-IC] Information and Communication System Security” in the menu of “Journal/Section” in the submission page. Do not choose “[Regular-ED] Information and Systems” or other special sections.
- Authors must agree to the “Copyright Transfer, Article Processing Charge Agreement, Notices from the IEICE, and Privacy Policy” via electronic submission.
- Submission deadline of the manuscript is October 14, 2022 (JST).
- The term for revising the manuscript after acknowledgement of conditional acceptance for this special section could be shorter than that for regular issues (60 days) because of the tight review schedule.
