- We were not so active in previous years due to some domestic issues. We suggest having a new representative for the Indonesia Section to promote IEICE in Indonesia.

(2) Activity Plan in the 2023 Fiscal Year

- We plan to deliver an international conference that hopefully invites speakers from IEICE (either on-site or online).

6. Constructive Opinion/Request/Proposal

- We propose a regeneration process to select new representative for Indonesia section to increase IEICE activities and presents in Indonesia's academic and industrial society.
