

Regular Technical Committees

- Electromechanical Devices (EMD)
- Magnetic Recording (MRIS)
- Superconducting Electronics (SCE)
- Electronic Information Displays (EID)
- Electron Devices (ED)
- Component Parts and Materials (CPM)
- Electromagnetic Theory (EMT)
- Silicon Devices and Materials (SDM)
- Microwaves (MW)
- Integrated Circuits and Devices (ICD)
- Organic Molecular Electronics (OME)
- Optoelectronics (OPE)
- Lasers and Quantum Electronics (LQE)
- Electronic Simulation Technology (EST)
- Microwave Photonics (MWP)

Time-limited Technical Committees

- Integrated Photonic Devices and their Applications (IPDA)
- Ultrafast Optoelectronics (UFO)
- Quantum Information Technology (QIT)
- Terahertz Application Systems (THz)
- System Nanotechnology (SNT)
- Polymer Optical Circuit (POC)
- Silicon Photonics (SIPH)

Monthly Technical Meetings & Reports

As of 2016.1

International Conferences

✓ Sponsored or Co-sponsored International Conferences or Workshops in 2015 and 2016.

ISOME 2016	2016.5	AWAD 2016	2016.7
OECC/PS 2016	2016.7	ISLC 2016	2016.9

✓ Technical and/or financial support for International Conference or Workshop in 2015 and 2016.

IRPS 2015	ICTF 2015
RFIT 2015	AWAD 2015
MOC 2015	IMFEDK 2015
Cool Chips XVIII	MWP 2015
ISEC 2015	

ICMTS 2016	IRPS 2016
Cool Chips XIX	AP-RASC 2016

Sister Societies

IEICE Electronics Society has established sister society agreements with IEEE MTT-S, IPS.

Merits

- Mutual submission of papers
- Discount rates for submissions/subscriptions/participations

Publishing Activity

- English Transaction (monthly)
177 papers/year (2015.4 ~ 2016.3)
- Japanese Transaction (monthly)
68 papers/year (2015.4 ~ 2016.3)
- Electronics Express (ELEX);
Open-access
All-electronic journal
260 papers/year (2015.1 ~ 2015.12)

ELEX Statistics in 2015

- Number of published papers: 260
- Number of submissions: 1,123
 - Overseas: 1,032, Japan: 91
- Rate of acceptance: 22.3%
- Papers are published after submission in 46 days (on the average), 10 days (in the fastest case)
