5. Review and Future Plan

(1) Items in 2015 Fiscal Year Plan which could not be achieved, and expected solution

The collaboration with Japanese domestic sections has not been done actively. Our activity of 2016 Fiscal Year should be focused on fortify this kind of activities

(2) Activity Plan in 2016 Fiscal Year

a. IEICE Sponsored Lecture

- Wearable devices and computing
- Inter-disciplinary area between IT and bio-technology

b. Co-sponsorship to International Conferences

- Korea-Japan Workshop on Mixed Reality

c. Enhancement of IEICE membership

- Introductory remarks of IEICE for conference participants

d. Collaboration with Japanese domestic sections

- Co-organizing a workshop in the field of IoT and smart media
- Cooperative research with universities located in the area of domestic section
For example, cooperative study of computer vision with Kyushu Section
- Co-organizing a special session in big conferences
- Exchanging lectures and seminars

6. Constructive Opinion / Requests / Proposals

Newsletters that report the activities of international sections would help understand each other. So I suggest the IEICE send the section representatives an email conveying the activities of other sections regularly (eg. once/3 months).
