

# IEICE Taipei Section

## (1) ICT R&D environment around your Section

### ICT-related Areas:

- Electronics
- Communications, Networking and Multimedia
- Computer Science
- Optics and Optoelectronics

### Academia:

- More than 100 universities with related departments
- A large group of faculty, graduate and undergraduate students
- Most active research area in Taiwan

### Industry:

- Semiconductor manufacturing
- IC designs
- Computer and mobile devices
- Flat-panel displays
- Cloud computing
- Internet of Things

## (2) Organization, role assignment of your Representative Office

### Personnel:

- Representative: Prof. Hoang Yan Lin
  - National Taiwan University
  - Research Area: optical components and integration of optical systems for digital display systems
  - Email: [hoangyanlin@ntu.edu.tw](mailto:hoangyanlin@ntu.edu.tw)
  - Phone: +886 2 33663663

## (3) Policy/strategy, annual plan, academic activities of your Section over the past one year.

### 2015 International Display Manufacturing Conference (IDMC) & 3D Systems and Application (3DSA) (Co-Sponsored by IEICE Taipei Section)

- Time: 2015/08/25-28
- Venue: TWTC Nangang, Taipei, Taiwan

### Nobel-Prize Invited Speech (Co-Sponsored by IEICE Taipei Section)

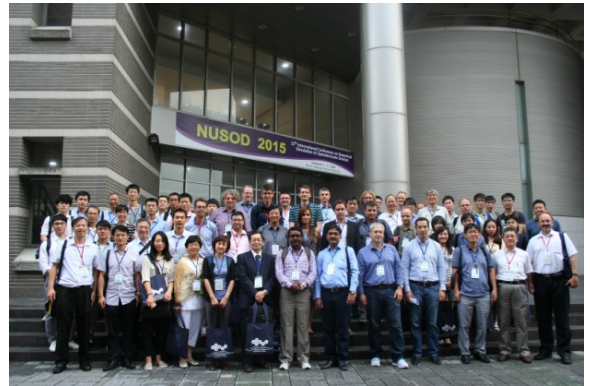

- Time: 2015/09/03
- Venue: National Taiwan University, Taipei, Taiwan

**IDMC'15 3DSA**  
International Display Manufacturing Conference & 3D Systems and Applications 2015  
TWTC Nangang, Taiwan, August 25-28, 2015

### 2015 Numerical Simulation of Optoelectronic Devices (NUSOD) (Co-Sponsored by IEICE Taipei Section)

- Time: 2015/09/07-11
- Venue: National Taiwan University, Taipei, Taiwan

## (4) Strategy to extend the membership in your Section or region

- Co-sponsorship for Conferences and Seminars
- Promotion for IEICE Membership and Paper Submission

## (5) Plan of IEICE sponsored lecture and international conference/symposium/workshop organized by your Section

### 2016 International Display Workshop (IDW) & 3D Systems and Application (3DSA) (Co-Sponsored by IEICE Taipei Section)

- Time: Dec., 2016
- Venue: Fukuoka, Japan

### Nobel-Prize Invited Speech (Co-Sponsored by IEICE Taipei Section)

- Time: 2016
- Venue: National Taiwan University, Taipei, Taiwan
- Prof. Takaaki Kajita

## (6) Preferable topics where your Section expects to collaborate with each of ten regional Sections in Japan.

- Promotion of 2016 International Display Workshop (IDW)
- Promotion of 2016 3D Systems and Application (3DSA)
