

Introduction to IEICE-CS IEICE Communications Society

Organization of IEICE-CS Executive Committees

- Board of Directors: President Prof. Masahiro Morikura
- Administration of Communications Society
- Editorial Board
 - Transactions on Communications [English]
 - IEICE Communications Express (ComEX) [English]
 - Transactions on Communications (Japanese)
 - Communications Society Magazine, B-plus (Japanese)
- Council of Technical Committee Representatives
 - 21(Regular)+7(Ad hoc) Technical Committees (TCs)
 - Each TC organizes TC conferences (4 times or more per year).
 - About 2,800 papers are presented at the conferences per year.
 - TCs also hold technical sessions in General/Society Conference.

Visit "<http://www.ieice.org/cs/index.html>" for more information.

Overseas Members of IEICE-CS

Total **1,253** IEICE-CS Overseas Members (March, 2017)

IEICE-CS members: **10,606**

Overseas

Asia

Europe
Middle East
North America
South America
Oceania
Africa

51 Countries

AUSTRALIA	GREECE	NORWAY	TAIWAN
REPUBLIC OF AUSTRIA	HONG KONG	PAKISTAN	THAILAND
BANGLADESH	HUNGARY	PHILIPPINES	TUNISIE
BELGIUM	INDIA	POLAND	TURKEY
BOSNIA AND HERZEGOVINA	INDONESIA	REPUBLIC OF LITHUANIA	U.K.
BRAZIL	IRAN	ROMANIA	U.S.A.
CANADA	IRAQ	RUSSIA	UGANDA
CHILE	ITALY	REPUBLIC OF RWANDA	UNITED ARAB EMIRATES
CHINA	KOREA	SAUDI ARABIA	VIETNAM
COLOMBIA	MALAYSIA	SLOVENIA	
DENMARK	MEXICO	SOUTH AFRICA	
EGYPT	MONGOLIA	SPAIN	
FINLAND	MONTENEGRO	SWEDEN	
GERMANY	MYANMAR	SWITZERLAND	

Publications (1)

Transactions on Communications

- Published monthly
- 289 papers published (2016)

Communications Express (ComEX)

- Started in June, 2012
- Published monthly
- Online Letter Journal
- Included in ESCI (Emerging Sources Citation Index)

ComEX

IEICE Communications Express

Features of ComEX:

- Papers are DOI (digital object identifier) attached and accessible through the Internet (<http://www.comex.ieice.org>).
- Papers with multimedia files such as movie files can be published.
- Short papers (up to 1,500 words) are published in a short time after acceptance.

ComEX LETTER :

- 20 days from the time of submission to the first review result notification
- 35 days to advance publication

Transactions PAPER:

- 2.8 months from the time of submission to the first review result notification
- 9 months to advance publication
- 2016 Impact Factor: 0.826

Distribution of accepted papers (Year 2016)

Japan	55.4%
China	20.4%
Korea	13.5%
Poland	1.4%
Thailand	1.4%
Taiwan	1.4%
Others	6.4%

Publications (2)

GLOBAL NEWSLETTER [English]

- Started in August, 2002.
- Published quarterly
- Report of Society's activities, Report of Conference

Transactions on Communications [Japanese]

- Published monthly

Communications Society Magazine, B-plus [Japanese, Online, Free]

- Started in June, 2007
- Published quarterly
- Technical reviews, surveys, practical topics etc.

E-mail News: Issued occasionally since 2003

Technical Committee Conference

Features of Technical Committee Conference

- Opens for any type of presentation (R&D result, idea or discussion).
- No peer review. Quickly show your idea.
- Publications (technical report) are issued for each conference.

Regular Technical Committees

Antennas and Propagation (AP)	Ambient Intelligence and Sensor Networks (ASN)
Internet Architecture (IA)	Communication Systems (CS)
Space, Aeronautical and Navigational Electronics (SANE)	Energy Engineering in Electronics and Communications (EE)
Satellite Telecommunications (SAT)	Network Systems (NS)
Electromagnetic Compatibility (EMCJ)	Optical Communication Systems (OCS)
Communication Quality (CQ)	Optical Fiber Technology (OFT)
Information and Communication Management (ICM)	Photonic Network (PN)
Information Networks (IN)	Healthcare and Medical Information Communication Technology (MICT)
Smart Radio (SR)	Radio Communication Systems (RCS)
Short Range Wireless Communications (SRW)	Wireless Power Transmission (WPT)
	Mobile Network and Applications (MONA)

Conferences outside Japan are also held. Please join TC conferences!

International Conference Supports And Sister Societies

International Conference Supports in FY2016 (Apr. 2016 – Mar. 2017)

Categories	Number of conferences	Regions	Number of conferences
(a) Promoter	1	Asia (incl. Japan)	13
(b) Joint Promoter	3	Europe	4
(c) Participating Promoter	14	Middle East	2
(d) Supporting or backing roles	4	North America	3

Our current sister societies:

- IEEE Communications Society (ComSoc)
- Korean Information and Communications Society (KICS)
- Korean Institute of Electromagnetic Engineering and Science (KIEES)
- Informatiostechnische Gesellschaft within The Verband Der Elektrotechnik Elektronik Informationstechnik (VDE/ITG)
- China Institute of Communications (CIC)
- IEEE Electromagnetic Compatibility Society (EMCS)
