### 1. Organization

Assembly of the Section

### 2. Action Plan of the Section Stated in 2016 All Sections Meeting

#### 2.1 Promoting IEICE activities and publications

We will continue to promote IEICE, including its activities and publications through our personal channels because official channel, e.g., section's page at IEICE website, is not available yet. iDiscover must be advertised to be recognized in Indonesia academia.

#### 2.2 IEICE sponsored lecture in Indonesia

We plan to invite professors from Japan to give lectures in Indonesia to be delivered on July 2016 at International Conference on ICT for Smart Society (ICISS2016) in Surabaya, Indonesia (<http://iciss2016.mucon.id>), in conjunction with Indonesia International Smart City Expo and Forum 2016 (<http://www.iismex.com/>). We had also proposed to have IEICE as technical sponsor for this conference.

### 3. Results of Activities during the 2016 Fiscal Year (April 2016 ~ March 2017)

#### 3.1 Sponsored Lecture

We technically sponsored the International Conference on ICT for Smart Society 2016 (ICISS 2016), which was an international conference, part of GOESMART2016 event, to gather academic circles, professionals, government, and communities' stakeholder to discuss and share their experience regarding Smart City implementation. This event was also technically co-sponsored by IEEE Indonesia Section (without financial support). The representative of IEICE Indonesia Section is the organizing committee of this conference. The conference was held at Grand City Convex on July 20-21, 2016 in Surabaya city of Indonesia. This event was attended by about 500 of participants. Prof. Akihiro Nakao gave his presentation together with Prof. Francesc Giralt (City Protocol) and Prof. Iva Bojic (MIT). The Mayor of Surabaya city also invited the participants for a welcome dinner at the municipality office of Surabaya.

### 4. Review and Future Plan

Items in 2016 Fiscal Year Plan which could not be achieved, and expected solution:

- We had planned to deliver sponsored lecture to be delivered in 2017. However, we still could not decide the topic and the related lecturer yet.
