

Information for Poster Presenters at ISOME2025

Posters will be attached with magnets to a double-sided whiteboard panel measuring 1170mm wide and 1630mm high, as shown in the photo.

Please prepare your poster approximately the vertical size of A0 paper, ensuring it does not extend beyond the panel.

Venue Reference:

The photo was taken at a different conference held at the same venue as ISOME2025.

As this photo shows, posters and oral presentations will be held in the same place. Please consider installing your poster during breaks or other times to avoid disrupting the progress of the international conference.

***Poster panels will be set up from the evening of November 5th to the evening of November 6th. Posters can be installed from the morning to the evening of November 6th.**
