

The Fifth Quantum Information Technology Symposium (QIT5)

Call for Papers

Scope: This symposium is on the quantum information science, which is a new interdisciplinary area of information science and quantum mechanics.

Date: November 12-13, 2001

Location: NTT ATSUGI R&D CENTER, 3-1 Morinosato-Wakamiya, Atsugi-shi 243-0198, Japan

Topics: a. Quantum Information Theory, b. Quantum Information Experiment, c. Quantum Computation, d. Quantum Cryptography, e. Quantum Communication, f. Quantum Devices, g. Quantum Optics, h. other related areas

Expected number of participants:150

Registration fee: 4000 yen (Student 1000 yen). Payment should be made on-site.

Banquet: Buffet style in the evening on November 12 (Ticket can be purchased at the registration desk.)

Abstract submission and registration: Please visit QIT home page (<http://www.etl.go.jp/~qit/>(in Japanese)), or send an e-mail to ORGANIZING COMMITTEE.

Deadlines:

August 20, 2001 for abstract submission

October 12, 2001 for registration

October 1, 2001 for the submission of manuscript for extended abstract

For further information, please contact ORGANIZING COMMITTEE:

Toshio Ohshima (Fujitsu Laboratories LTD. Nanotechnology Research Center)

E-mail:oshimoto@flab.fujitsu.co.jp

Kaoru Shimizu (NTT Basic Research Laboratory)

E-mail:shimizu@will.brl.ntt.co.jp

Toshimasa Fujisawa (NTT Basic Research Laboratory)

E-mail:fujisawa@will.brl.ntt.co.jp

Sponsored by Quantum Information Technology Committee (The Institute of Electronics, Information and Communication Engineers)

Chairman: Nobuyuki Imoto (The Graduate University for Advanced Studies)
