## 1. General Information

### 1.1 Introduction

Below are general instructions to guide the preparation of your paper. You may prepare the PDF file of your paper. The QIT Proceedings will be printed from the PDF file prepared by each author as provided.

### 1.2 Style and Format

Contributed papers are limited to 6 pages for oral presentation and 4 pages for poster presentation. Size of paper is A4. Only paper title, authors name, address, abstract, and keywords are typed in a single column. The remained parts are typed in two columns as shown in this paper.

### 1.3 Equations

Equations are to be numbered consecutively throughout the text. The equation number should be placed in parenthesis and flushed right of the column.

$$|\psi\rangle = \frac{1}{\sqrt{2}} (|0\rangle + |1\rangle) \quad (1)$$

## 2. Illustrations

Figures, tables and line drawings should be center positioned within the text. They must be black ink or high contrast black-and-white reproductions. They must include captions.

## 3. References

References are to be listed and numbered at the end of the papers. Refer to them in the text as [1].

## 4. Conclusion

Your paper should be carefully prepared.
