

Call for Papers

## Special Issues of Journal of Semiconductor Technology and Science

Authors of AWAD 2023 papers are encouraged to submit their original papers on the significant part of their work presented at AWAD 2023 to the Special Issues of Journal of Semiconductor Technology and Science (JSTS). The special issues of JSTS will be published in December 2023. Those who wish to submit a paper to the Special Issues should follow the Summary Information for Contributors and Instructions for Preparation of Manuscript for JSTS.

### 1. Topic

Topics to be submitted will include, but not necessarily be limited to, the following areas:

- Advanced semiconductor technologies
- Characterization and simulation
- Compound semiconductor and wide bandgap devices
- Nano, 2D materials, and wearable devices
- Neuromorphic devices and computing technologies
- MOS logic and memory devices
- Quantum devices and computing technologies
- Optoelectronics, displays, and imagers
- Power electronic devices

### 2. Important Notice

(1) The submitted paper will be reviewed based on the JSTS standard for an original paper. All papers submitted are not necessarily accepted in the final review.

(2) The deadline for submission is September 4, 2023. Papers should be submitted on the web-based system. For online submission, authors are requested to register as a user.

(3) Authors should read the contents of the following URLs carefully before submitting papers:  
- Manuscript submission: <http://mc.manuscriptcentral.com/jsts-ieek>

(4) Authors should choose the "Special Issue Paper" in Manuscript type menu. Please note down "AWAD 2023 Special Issue Paper" in the cover letter.
