IEICE GLOBALNET WORKSHOP 2024 in Hiroshima — Poster Session —

-Uniting Future Innovators-

For Global Students

March 4th (Mon), 2024
15:00-17:00 JST

JMS Aster Plaza
Hiroshima

International and Japanese students

Language: English

Let’s enjoy the cultural exchange!

IEICE International Affairs Committee
Goal/Aim

This workshop is organized by the IEICE International Affairs Committee, with the aim of interaction among international and Japanese students within the fields covered by IEICE. As an ice break, international students will have a poster session on their chosen topics. International students in Japan play a crucial role as the future bridges connecting Japan to their countries and the world. Even today, numerous graduates are working globally. It is also a great opportunity to make cross-cultural connections with motivated students in the same field of study. We hope this will be a chance to find a better solution to your problems in finding a suitable career in Japan. You are encouraged to develop mutual interaction at this workshop. The event is not limited for international students, and of course, presentations in English by both overseas and domestic Japanese students are welcome. We also welcome junior members, such as elementary, junior high, and high school students, technical college students, and other young students who would like to participate in the research community for the first time in English. We hope it will help students to enjoy the cultural exchange.

Contents of Presentation

Please note that not only completed studies, but also initiated or in-progress studies are eligible. One presentation per presenter is allowed. This workshop is a networking event. Participants are encouraged to make presentations to promote themselves and their studies! For this reason, please be sure to include your name, affiliation, country of origin and appeal points (motivation to attend), etc. on your poster.

Qualification of Applicants

Both participants and presenters can be applied regardless of membership. Non-members can also participate in this workshop. Those presenting at the General Conference can also present at GNW.

Registration Fee

Free
Poster Size
Poster should be portrait-oriented with the size of either 841mm W x 1189mm H (A-zero size) or 788mm W x 1091mm H. Posters may be pinned or taped. The secretariat will provide these materials, so there is no need to bring your own.

Schedule of Presentation
Please put up your poster on the board during 14:30-15:00 on March 4, 2024 and present your poster from 15:00.

Preliminary Manuscript
Please submit your presentation title, self-introduction (w/photo), and abstract of your studies using the attached format by the preliminary manuscript deadline, Monday, February 5, 2024. (Details of the submission procedure will be informed by mail after the application for presentation has been confirmed.)

Copyright
All rights are reserved by the presenter.
