IEICE GLOBALNET WORKSHOP 2024 in Tokyo — Poster Session —

-Uniting Future Innovators-
For Global Students

September 9th (Mon), 2024
14:30-16:00 JST

Sumida Riverside Hall

International and Japanese students

Language: English

Let’s enjoy the cultural exchange!

IEICE International Affairs Committee
Goal/Aim
This workshop is organized by the IEICE International Affairs Committee, with the aim of interaction among international and Japanese students within the fields covered by IEICE. As an ice break, international students will have a poster session on their chosen topics. International students in Japan play a crucial role as the future bridges connecting Japan to their countries and the world. Even today, numerous graduates are working globally. It is also a great opportunity to make cross-cultural connections with motivated students in the same field of study. We hope this will be a chance to find a better solution to your problems in finding a suitable career in Japan. You are encouraged to develop mutual interaction at this workshop. The event is not limited for international students, and of course, presentations in English by both overseas and domestic Japanese students are welcome. We also welcome junior members, such as elementary, junior high, and high school students, technical college students, and other young students who would like to participate in the research community for the first time in English. We hope it will help students to enjoy the cultural exchange.

Contents of Presentation
Please note that not only completed studies, but also initiated or in-progress studies are eligible. One presentation per presenter is allowed. This workshop is a networking event. Presenters are encouraged to make presentations to promote themselves and their studies! For this reason, please be sure to include your name, affiliation, country of origin and appeal points (motivation to attend) , etc. on your poster.

Qualification of Applicants
Those who have interest in the fields covered by IEICE can present and/or participate in the workshop regardless of the membership. Those presenting at the Society Conference can also present at GNW.

Registration Fee
Free
**Poster Size**

The maximum size of the poster is 841mm W x 1189mm H (A-zero size). Posters may be pinned or taped. The secretariat will provide these materials, so there is no need to bring your own.

**Schedule of Presentation**

Please put up your poster on the board during 14:00-14:30 on Sept. 9, 2024 and present your poster from 14:30.

**Preliminary Manuscript**

Please submit your presentation title, self-introduction (w/photo), and abstract of your studies using the attached format by the preliminary manuscript deadline, Monday, August 12, 2024. Details of the submission procedure will be informed by mail after the application for presentation has been confirmed.

## International Reception Party

The reception party is held after GlobalNet Workshop for international exchange. Enjoy food and drinks overlooking the night view of Tokyo including TOKYO SKYTREE. Let's have a great time together and share a wonderful opportunity to connect engineers and researchers across borders. Please come and join us!

### Date
Monday, September 9, 2024

### Time
