

APSITT 2012

Sponsored by Communications Society, IEICE

9th Asia-Pacific Symposium on Information and Telecommunication Technologies
Nov. 5-9, 2012, Santiago and Valparaíso, Republic of Chile

APSITT 2012

9th Asia-Pacific
Symposium on
Information and
Telecommunication
Technologies
Santiago and Valparaíso,
Republic of Chile
Nov 5-9, 2012

Conference Objectives

The objective of the conference is to offer the opportunity to exchange opinions among different countries in a co-operative atmosphere in the rapid changing information and telecommunication field. We aim toward the prosperity of Asia-Pacific region by presenting the opportunities of academic forum for mutual understanding and friendship among researchers and leaders in this region.

Schedules

Paper submission due: April 15, 2012 (EXTENDED) (NOTE1)

Notification of acceptance: June 5, 2012 (EXTENDED)

Final Camera-ready due: July 5, 2012 (EXTENDED)

NOTE1: Prospective authors are requested to submit either in the form of full-paper submission or abstract submission.

Technical Areas

The APSITT 2012 provides a forum for researchers and professionals to present their findings on the broad areas of information and telecommunications technologies. Technical papers are sought describing original works in the following but not limited to:

- | | | |
|------------------------------------|------------------------------------|----------------------------------|
| - Green ICT | - Ubiquitous Applications/Services | - Internet Applications/Services |
| - Mobile Applications/Services | - Multimedia Applications/Services | - IP Networks |
| - Wireless Networks | - Photonic/Optical Networks | - Network Architecture |
| - Network Management | - QoS Control and Management | - Traffic Control and Management |
| - Content Delivery | - Switching and Routing | - Fundamental Theories |
| - P2P communication | - Web based applications/Services | - Policy and Planning |
| - Service Development Technologies | - Sustainability and Dependability | - Resilient Networks |
| - Ad-hoc Networks | - Scale free Networks | - Overlay Networks |
| - Network Security | - Network Analysis | - Next Generation Network |
| - Post IP technologies | - Implementation | - Testbeds |

Papers Submission

The APSITT 2012 is soliciting paper submissions in the form of full-paper submission and abstract submission as follows.

- Full-paper submission:
Prospective authors are requested to submit a paper limited to maximum of six (6) pages, IEEE compatible PDF, written in English. Camera-ready copy is also limited to maximum of six (6) pages, IEEE compatible PDF. Accepted papers will be presented at selected sessions.
- Abstract submission:
Prospective authors are requested to submit an extended abstract (one A4 page PDF with single column and 10 point font for body text) in English with your contact information. Camera-ready copy is limited to maximum of six (6) pages, IEEE compatible PDF.

Authors of best papers will be recommended to submit an extended version of their papers in IEICE transactions on communications.

Detailed submission process using the EDAS can be found on the conference web page.
