Key words HISC2005, paper preparation, paper submission

1 Introduction

This document describes how to prepare and submit your papers for the proceedings of 2005 Hawaii, IEICE and SITA Joint Conference on Information Theory (HISC2005). Section 2 gives the style and format of papers, and Section 3 includes the deadline and the postal address for the submission. Please follow these instructions carefully.

2 Preparation of papers

2.1 Manuscript Format

The manuscript must be at most 6 pages long, including title, (sub-title), author's name, affiliation, address and E-mail, abstract (within 100 words long) and keywords, and the main content. All parts must be written in English.

The size of paper is A4. The printing area is 180 mm wide \times 250 mm long with one or two column format. Figures, tables and photographs also must be set in the area.

2.2 Number of pages

Manuscript must be within 6 pages including the first page with title, main content, all the figures, tables and photographs.

2.3 Type size

A 10 point type size will be recommended for main text, figures and tables. The type size of the title and sub-title must be larger than the main text type size.

2.4 Figures, tables and photographs

Figures, tables and photographs can be placed at any position in your manuscript.

2.5 Copyright

It is the policy of IEICE to own the copyright to the full paper manuscript published in Technical Report of IEICE.

3 Submission of papers

The deadline of the submission is

April 20, 2005,

which is very strict. Papers received after this date will not appear in the proceedings.

Authors are requested to submit a *camera-ready manuscript* to:
