TECHNICAL SESSIONS

VJMW2015 offers technical sessions on state-of-the-art RF, microwave, millimeter-wave and terahertz-wave theory and techniques with foresighted keynote and invited talks from Vietnam, Japan and ASEAN countries.

PAPER SUBMISSION

We solicit one-page abstracts describing original work on RF, microwave, millimeter-wave and terahertz-wave theory and techniques. The topic includes but is not limited to:

A. Active Devices and Circuits

Low-noise devices and circuits, high-power devices and circuits, control circuits (mixers, oscillators, switches, etc.), MMICs and HMICs (receivers, transmitters, etc.), silicon RF devices

B. Passive Components

Filters and resonators, ferrite and surface wave components, packaging techniques, passive devices and circuits, waveguides, transmission lines

C. Systems

Communication systems, microwave applications (ITS, SPS, etc.), microwave medical & biological applications/EMC/EMI, phased array antenna systems

D. Fundamental theory and techniques

Scattering and propagation, electromagnetic field theory and CAD, antenna theory and designs, microwave photonics, microwave superconductivity, measurement techniques

E. Emerging Technologies

RF MEMS, active antennas, photonic bandgap and artificial metamaterials, software defined radio, wireless LAN/Bluetooth, RF energy harvesting, and wireless power transfer

The one-page abstract has to be submitted in electronic PDF form. Papers are limited up to two pages with a file size of 1 MB. No hardcopy will be accepted. The abstract must be prepared using a template file available at the website.

In addition, the authors are invited to submit extended version of the papers for the proceedings of VJMW2015. The extended papers are to be peer reviewed by the committee, and the accepted paper will be published in August 2015. No-show papers are regarded as withdrawn and removed both from the abstract book and the proceeding of VJMW2015. Detailed information for the paper preparation can be found in the VJMW2015 website.

REGISTRATION

All speakers and participants are requested to register in advance from the VJMW2015 website: <http://www.ieice.org/~mw/VJMW2015/>.
