

5th International Workshop on Photonics applied
to Electromagnetic Measurement

PEM2023

November 27–28, 2023
Hokkaido University, Sapporo, Hokkaido, Japan
[Frontier Research in Applied Sciences Building]
Hybrid of on site and web

Paper Submission Deadline: Aug. 6, 2023

https://www.ieice.org/~pem/link/6_pem2023/pem2023.html

Topics include (but are not limited to):

1. Basic theory/techniques related to PEM
2. Systems for PEM
3. Applications of PEM
Antenna measurements, EMC measurements,
Remote sensing, Imaging, Spectroscopy, ... etc.
4. Competitive/complementary technologies to PEM
(not limited to photonics-based technologies)

Workshop Committee:

Workshop chair

Ai-ichiro Sasaki (Kindai Univ., Japan)

Local steering committee chair

Takashi Hikage (Hokkaido Univ., Japan)

Technical program committee chair

Akihisa Tsuchiya (KISTEC, Japan)

Finance committee chair

Jun Katsuyama (Yokogawa Electric, Japan)

Secretaries

Shota Yamazaki (NICT, Japan)

She Yuanfeng (AIST, Japan)
